BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF HARTFORD:

Section 1. The sum of \$54,600,000 is appropriated for the planning, design, acquisition and construction of renovations and improvements to West Middle School, including the construction of an addition containing approximately 15,000 square feet and renovations to the existing building, to comply with current fire, safety and handicapped accessibility codes, related site work, furnishings and equipment, and for administrative, printing, legal and financing costs related thereto, said appropriation to be inclusive of any and all State and Federal grants-in-aid thereof.

Section 2. The estimated useful life of the project is not less than twenty years. The total estimated cost of the project is \$54,600,000. The cost of the project is expected to be defrayed by State grants in the estimated amount of 80% for the fully reimbursable portions of the project.

Section 3. To meet said appropriation, \$54,600,000 bonds of the City, or so much thereof as shall be necessary for such purpose shall be issued, maturing not later than the maximum maturity permitted by the General Statutes of the State of Connecticut, as amended from time to time (the "Connecticut General Statutes"). Said bonds may be issued in one or more series in the amount necessary to meet the City's share of the cost of the project determined after considering the estimated amount of State grants-in-aid therefor, or the actual amounts thereof, if this be ascertainable and the anticipated times of the receipt of the proceeds thereof, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, printing and legal costs of issuing the bonds. The bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in bearer form or in fully registered form, be executed in the name and on behalf of the City by the facsimile or manual signatures of the Mayor and the City Treasurer, bear the City seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company, and be approved as to their legality by the City's Bond Counsel. The aggregate principal amount of the bonds of each series to be issued, the annual installments of principal, redemption provisions, if any, the certifying, registrar and transfer agent and paying agent, the date, time of issue and sale and other terms, details and particulars of such bonds, including approval of the rate or rates of interest payable thereon, shall be determined by the Mayor and the City Treasurer in accordance with the Connecticut General Statutes.

A notice of sale or a summary thereof describing the bonds and setting forth the terms and conditions of the sale shall be published at least seven days in advance of the sale in a recognized publication carrying municipal bond notices and devoted primarily to financial news and the subject of state and municipal bonds.
